Abstract

Catechism for youth Youcat beats records of popularity. The first empirical study of its reception among young Polish people has been carried out. At the Institute of Pastoral Theology and Catechetics at the Catholic University of Lublin John Paul II P. ÅÄcisÅÄ,owicz defended his doctoral thesis on this topic. The study shows a high percentage of young people who respond positively to the content and form of Youcat. Results show approval by the youth probably will not be better for a long time. On the other hand, catechists' education will be very long. They need to understand that Youcat will not replace textbooks for the teaching of religion in schools, because it is only complementary. It is also about the entry into the digital world where people spend a lot of time. There is a need for education for catechists on the Youcat media project. It is
