Abstract

Excellence and Equity

As I write this letter I have now been at IMSA for nine days, the reading this I will have been here for almost 90 days. I am excited to offer, and of course a bit anxious about the many things I have to do. Leadership and risk taking are necessary at every great organization and that the fine people of the IMSA community will work with me to ensure excellence for our students and programs on the Aurora campus and beyond.
