### Publication Date

January 1984

### Abstract

The Appalachian Oral History Project (AOHP) is a product of social unrest during the Vietnam war, the Kennedy-Johnson growing awareness of grass roots history. History from the academics and laymen alike were becoming aware, detailed different from those generally found in history textbooks. Political on a national or international scale often assumed an insignificant everyday lives. It was the personal event or achievement which historical impact for those who cared to recall.
