Book : [Inventory of glaciers, glacial lakes and glacial lake outburst floods. Monitoring and early warning systems in the Hindu Kush-Himalayan Region: Bhutan.](#)

Abstract : This publication contains the results of a detailed inventory of glacial lakes, and of potential or actual glacial lake outburst flood (GLOF) sites in the Hindu Kush-Himalayan region in Bhutan. The methods used to identify these glacial lakes are described. A brief review of the causes and effects of known GLOFs in Bhutan is presented. GLOF mitigation measures, monitoring, and early warning systems are discussed.
