## Guide to the dissection of the horse.

Author(s) : [ROONEY, J. R.](#)Book : [Guide to the dissection of the horse.](#) 1951 pp.v + 183 pp.

Abstract : Few dissection guides are designed to place emphasis on regional importance, but this booklet-produced primarily for use at the New York State College-will be of value to Schools which practice this procedure. Constant reference is made to the living animal, a necessary pre-requisite for such emphasis, and including a few showing the areas of cutaneous innervation are included.-R
