Abstract

Comprehensive, logically-organized, and easy to read, this market-leading fundamentals text provides students with a solid base for their nursing education.

Encompassing principles, concepts, and skills, it offers thorough coverage, a nursing process framework, an emphasis on critical thinking, and a focus on care in all settings. This new edition addresses a number of key issues, including evidence-based practice, safety concerns, and end-of-life care. To better meet the needs of beginning students, care plans have been expanded to

more clearly explain assessment findings leading to nursing diagnoses, as well as evaluation of outcomes.
