Abstract

This eighth edition of *Essentials of Entrepreneurship and Small Business Management* introduces you to the process of creating a new venture and provides you with the knowledge you need to launch a business that has the greatest chance for success. One of the hallmarks of every edition of this book has been a very practical, “hands-on” approach to entrepreneurship. We strive to equip you with the tools you will need for entrepreneurial success. By combining this textbook with your professor’s expertise, you will be equipped to follow your dream of becoming a successful entrepreneur.
