**Published by** Royal Irish Academy

January 1978

Hardback

Number of pages: 396

ISBN: 9780901714107

This book provides statistics from the first Irish census of 1821-1971, with the overall totals broken down under counties, provinces and towns. The subjects covered include ages, births, marriages, deaths and emigration. It is the second in a series of ancillary publications supplementing 'A New History of Ireland', the first of which was a bibliography of medieval Ireland, c. 1170-1495.

## **Karl Marx and the DIB**

This month marks the 200th anniversary of the birth of the German scholar and revolutionary socialist Karl Marx on 5 May 1818. At intervals throughout the month, we will feature articles from the Royal Irish Academy's *Dictionary of Irish Biography* on four Irish-born persons whose careers were variously connected with Marx's life, ideas and legacy.
