Paralele med indijsko in slovensko mitologijo: sledovi skupne i dediš ine Parallels in Indian and Slovene Mythology: Traces of a Common European Heritage

Zmago Šmitek

Abstract

There have been significant linguistic and cultural ties between Europe and India. They may be attributed to the common tradition spreading through Eurasia by way of conquests and migrations. Another important factor is their cultural tie recently (the influence of ancient high cultures, commercial contacts, etc.). The process of Indo-Europeanization had and complex one. Due to limited space this essay will focus only on several mythological parallels between India and Europe. A more detailed investigation in the future, particularly from a broader comparative perspective.
