# The Price of Salt

Morgan, Claire

URI: <http://hdl.handle.net/10587/834>

Date: 1953

## Description:

"'A NEW DEPARTURE' Here is a novel, utterly sincere and honest, which deals with a subject until recently considered taboo. Now a young woman, Claire Morgan, comes along and writes of unsanctioned love from a completely new point of view. As the Louisville Times says: 'The Price of Salt...seems to mark a new departure in this type of fiction...Claire Morgan is completely natural. She has a story to tell and she tells it with an almost conversational ease. Her people are neither degenerate monsters nor fragile victims of the social order. They must - and do - pay a price for thinking, feeling and loving 'differently;' but they are courageous and true to themselves throughout.' This low-priced Bantam book, complete and unabridged, is made possible by the large sale and effective promotion of the original edition, published by Coward-McCann, Inc." -Back cover
