**Desc.** [Folio](#) (33 cm.)

**Location** [Shelf L-5](#)

confusion exists due to another man in the records sharing his name. <sup>[1]</sup> In 1707 Hawkins was called to the bar. He later served as

deputy chief justice of the Brecon circuit in 1719, and in 1724 he advanced to the rank of [serjeant-at-law](#).<sup>[2]</sup> Hawkins began writing on legal matters in 1711. *A Treatise of the Pleas of the Crown*, first published in 1716, represented an advancement in both analysis and in detail when compared to the earlier exposition of English criminal law written by [Sir Edward Coke](#) (1552 – 1634).<sup>[3]</sup> In addition to this book, Hawkins also edited an abridgment of *Coke upon Littleton*, and a new edition of the *Statutes at Large*.<sup>[4]</sup>

## Evidence for Inclusion in Wythe's Library

---

Listed in the [Jefferson Inventory](#) of [Wythe's Library](#) as *Hawkin's P. C. fol.* and given by [Thomas Jefferson](#) to [Dabney Carr](#). We do not know which edition Wythe owned. The [Brown Bibliography](#) <sup>[5]</sup> includes the first edition while [George Wythe's Library](#) <sup>[6]</sup> on LibraryThing indicates "Precise edition unknown. Folio editions (in two volumes) were published at London in 1716-21, 1724, 1739 and 1762." Because we don't know which edition Wythe owned, the Wolf Law Library moved a mixed set (volume one, first edition 1716; volume two, second edition, 1726) from another rare book collection to the [George Wythe Collection](#).

## Description of the Wolf Law Library's copy

---

Mixed set: volume one is the first edition (1716); volume two is the second edition (1726). Set recently rebound in full maroon with black labels and marbled end papers. Purchased through the generosity of Daniel W. Baran and Lena Stratton Baran, Class of 1936.

Images of the library's copy of this book are [available on Flickr](#). <sup>[7]</sup> View the record for this book in [volume one](#) <sup>[8]</sup> and [volume two](#) <sup>[9]</sup> of this book in William & Mary's online catalog.
