

## Assessing the Courts in Russia: Parameters of Progress under Putin

Solomon, Peter H.

(2008) International Journal for Court Administration, volume 1, issue 2, pp. 26 - 32  
(Article)

### Abstract

The Soviet legacy included courts that were dependent and weak, and whose reform had only just begun. The Yeltsin era witnessed considerable progress in making judges more independent and powerful, but the efforts were seriously constrained by budgetary shortcomings and paralysis in the legislative approval of needed procedural changes. As ...
