Abstract

In *Never Seen the Moon*, journalist Sharon Hatfield chronicles the Maxwell accused of murdering her coal-miner father in depression-detective work brings together the threads of this story to provide a headlines and trial transcripts from real life. There are surprises to as Hatfield tells the legal tale of the young and vibrant Edith battling journeys through the trials and appeals as two juries of twelve men sentence her to a lifetime in prison. *Never Seen the Moon* seeks to Edith's trials into a social commentary on Appalachia, yellow journa

Hatfield's book offers an interesting foray into the newspapers of ye difficult questions of battered women's self-defense and media invo continue to plague the legal profession today. However, the review c disappoints in its claim to analyze the gender issues of this era. Th strategic failure to focus her criminal appeals on the jury question i what impact a "jury of her peers" might have had for Edith.
