 **Veld types of South Africa.**Author(s) : [ACOCKS, J. P. H.](#)Book : [Department of Agriculture. Division of Botany. Union of South Africa Botanical Memoir No. 28](#) 1953 pp.192 pp. ref.bibl. 21

Abstract : This memoir is in the nature of a general introduction to the ecology and vegetation of South Africa. Its detail is sufficiently comprehensive to be of general interest to those interested in agriculture, geobotany and ecology. A description and classification of veld-plant and forest types is given and two conjectured phases of vegetative development in A.D. 1400 and A.D. 2500 are contrasted with the flora at the present time.-M.A.
