Abstract

Abstract:

An assessment of recent scholarly work treating the literature of Tudor and Stuart Drama and some general observations on the state of the profession. A full bibliography and price list of works received by *SEL* for consideration follow.

Recent Studies in Tudor and Stuart Drama

HENRY S. TURNER

Taking stock of a year's worth of books in one's field: it's a humbling exercise. Holding them in your hands, you feel the years of effort, the passion and learning, the dedication to a vision and to argument. The experience filled me with appreciation for the many living moments in which we meet one another to talk about ideas, circulate work, question and debate, reflect and write. Like the end of François Truffaut's *Fahrenheit 451*, these books are speaking people, colleagues walking among colleagues who, when asked, recite the precious words they contain. And together they tell several diverging stories about the shape of our field: our values and preoccupations, our views into the archive and out into the world, our accounts to one another of what we do and why it's important.

What did I hear in these conversations? The paradigm of materialism continues to animate our criticism, above all because of the richness and plurality of "materialism" itself as a tradition of inquiry. Books on the relationship between drama and the political

Henry S. Turner is Professor of English and Director of the Center for Cultural Analysis at Rutgers University. He is the author of *The Corporate Commonwealth: Pluralism and Political Fictions in England, 1516–1651* (2016), winner of the 2017 Elizabeth Dietz Memorial Award for the best book in Renaissance studies. He is also the author of *Shakespeare's Double Helix* (2008) and *The English Renaissance Stage: Geometry, Poetics, and the Practical Spatial Arts, 1580–1630* (2006). He is the editor of *Early Modern Theatricality* (2012) and *The Culture of Capital: Property, Cities, and Knowledge in Early Modern England* (2002) and, along with Mary Thomas Crane, is the series editor of *Annals of the American Academy of Arts and Sciences*. His work has been supported by grants from the American Council of Learned Societies, the Radcliffe Institute for Advanced Study, the National Humanities Center, the National Endowment for the Humanities, and the Folger Shakespeare Library.
