Description

E-Books and New Library Service Models: An Analysis of Academic Libraries (2001)

Ronald C. Jantz

Information Technology and Libraries 20(2): 104-113.

Version Version of Record (VoR)

Abstract Effectively introducing e-books into a library has and how we do business. The capabilities and the limitation in this paper to provide a framework for examining the impact is the author's view that we must understand not only the technology but also transform the capabilities of the technology into an effective
