Caution: This American legal encyclopedia contains an overview of the full range of American law, including Espionage , in the United States . But, legal information is not the same as legal advice (which involves applying laws, about Espionage and other topics, to particular individuals and organizations and their particular circumstances). It is always a good idea to consult with an attorney to obtain advice as to how the law (in relation to Espionage and other legal subjects) should be interpreted in light of the particularities of your situation. Also, you should be aware that legal aspects impacting Espionage may change over time and, as such the information contained in this American legal encyclopedia may become out of date.
