Bookmark this lecture

The lecture will examine the changing shape of the Thames Valley (the London end in particular), evidence of population movement and urban growth and the appearance of agricultural and industrial activity from the earliest times to the arrival of the Romans.

*Part of the Mondays at One Maritime London Series*

*No reservations are required for this lecture. It will be run on a 'first come, first served' basis.*

*Doors will open 30 minutes before the start of the lecture.*

## Jon Cotton

Jon works as a Freelance Archaeological Consultant and has been Senior Curator in Pre-History at the Museum of London since 2011.
