Abstract:

Universities. And What about Miscommunication and Accountability? Universities usually control context and logic. A problem lies in remaining unaware of hidden programmed or indoctrinated thinking that produces pre-Usually accompanied by an emotional impulse to correct or amend, it reinforces an automatic tendency to dis-bring into line. Society's resistance to this approach cannot be resolved by simply adding new values, stories, or the pre-programmed rationale. Continually replaying auto-patterns of common agreement that strengthen pre-does not and will never resolve human dysfunction. Only self-inspection can do this. Since the collective ego is unconscious than the individuals comprising it, a profound and evolutionary shift of direction is needed along v-intention, and decision to resolve the human condition. Potentially, universities can help by providing an appro-towards that end, assuming of course that they are capable of making the necessary changes away from establis-thinking models.
