## Leisure on the Island of Alderney.

Author(s) : [Johnston, J.](#)

Journal article : [Leisure Manager](#) 1989 Vol.7 No.10 pp.p.14

Abstract : An examination of leisure facilities and activities on the island of Alderney, one of the smaller Channel Islands off the coast of the UK, reveals a surprisingly varied range of amenities. With a population of only 2300, this would be the equivalent of a small village on the mainland, with little local leisure provision. The inhabitants of Alderney can, however, avail of a whole host of leisure facilities, ranging from a well stocked book-lending library, a golf course and, various dancing clubs to a variety of sports clubs.
