Abstract:

We propose an alternative reading of the sequential construction of Lawrence Durrell's *The Avignon Quintet*. The form only became clear as he prepared the first volume, *Monsieur; or, the Prince of Darkness*, for publication. By contrasting the published variant of *Livia; or, Buried Alive*, we draw attention to Durrell's structural preoccupations. By

tracing the publication history of the first two volumes of The Avignon Quintet and the published variant, « Gog and Magog », we demonstrate that the spiritual, Gnostic thematic content develops from overt formal and theoretical concerns that Durrell articulated in his early variants. Nous proposons une interprétation alternatif de la construction séquentielle de Le Quintette d'Avignon par Lawrence Durrell. La structure a été développé seulement apres qui'il complété le premier volume, Monsieur ou le Prince Tenébre. En contrastons la variante de Livia ou enterré vive, nous révélons les préoccupations structurelles de Durrell. En tracant l'histoire d'édition des deux premier volumes du Le Quintette d'Avignon et la variante publiée, « Gog and Magog », nous démontrons que le contenu thématique, Gnostique et spirituel, développe de des intérêts évidentes, formelles et théoriques, que Durrell a articulé dans ses premieres variantes.
