Abstract

"It is one of the many costs of the South African war that it has cut off from England any effectual knowl that at least one quarter of the inhabitants of the British Empire have during the past year been exposec famine on record. Now that Mr. Vaughan Nash has published these articles in a volume, with photogra statistical appendices, it is possible to estimate at its true value the very useful contribution that he has knowledge of India." - Introductory paragraph.

Item Type: Article

Additional Information: A review of 'The great famine and its causes' by Vaughan Nash, London, 190
