Abstract

Understanding Identity explores the diverse ways in which identity matters in the contemporary world through and of belonging. The book charts some of the most important identity stories which inform people's lives, both for example post September 11th 2001 and in personal lives, highlighting the importance of gender, 'race', 'ethnic place. It explores the tensions between fixity and fluidity and the interrelationship between social and psychic w theory of dynamic belonging to explain some of the dilemmas of attempting to stabilise the self in a world so of uncertainties and insecurities.
