Title	A first course in probability
Edition	9th ed.
Author(s)	Ross, Sheldon
Publication	Boston, MA : Pearson, 2014. - 467 p.
Subject code	519.2
Subject category	Mathematical Physics and Mathematics
Keywords	probabilities
Abstract	A First Course in Probability, Ninth Edition, features clear and intuitive explanations of the mathematics of probability theory, outstanding problem sets, and a variety of diverse examples and applications. This book is ideal for an upper-level undergraduate or graduate level introduction to probability for math, science, engineering and business students. It assumes a background in elementary calculus.
ISBN	9780321794772 (This book at Amazon) (print version, hardback) 032179477X (This book at Amazon) (print version, hardback)
