SUMMARY

In a world of increasing traffic congestion, a grassroots movement is carving out a niche for bicycles on city streets. *Pedaling Revolution: How Cyclists Are Changing American Cities*. explores the growing bike culture that is changing the look and feel of cities, suburbs, and small towns across North America.

From traffic-dodging bike messengers to tattooed teenagers on battered bikes, from riders in spandex to well-dressed executives, ordinary citizens are becoming transportation revolutionaries. Jeff Mapes traces the growth of bicycle advocacy and explores the environmental, safety, and health aspects of bicycling. He rides with bicycle advocates who are taming the streets of New York City, joins the street circus that is Critical Mass in San Francisco, and gets inspired by the everyday folk
