The Economics of Transaction Costs

Edited by [Oliver Williamson](#) and [Scott Masten](#)
semasten@umich.edu

in [Books](#) from [Edward Elgar Publishing](#)

Abstract: Transaction cost economics began to take shape around thirty years ago and has since been established as an essential tool used to illuminate a wide range of problems in economics and other social sciences. This paperback reader for students and scholars presents, in a convenient and accessible form, the articles which together form the foundations of research in transaction cost economics.
