Sažetak

Studies in the History of Geodesy and Cartography in Bulgaria was published and printed by the Military Geographic Service in Bulgaria in Bulgarian. The book was translated into English by Meglena Bazhdarova and published by the Chamber of Graduate Surveyors and Military Geographic Service at the time. The version did not include two chapters from the Bulgarian edition: chapter "The History of Geodesy and Cartography in Bulgaria – Introduction and Development from 1878 to 1944" and chapter "The History of Geodesy and Cartography in Bulgaria".
