Abstract

Does the letter to Sardis threaten eternal security? The research concerning the context of the letter, word studies for overcome, Book of Life, and an exegetical analysis reveal

that the letter is both a warning and a comfort. The warning is directed to the lost people in the church as well as those without assurance, and the comfort is for the genuine believers. Eternal security is not threatened, but an exhortation to ensure that one is in the faith is present in the letter.
