Abstract

This thesis highlights the industrial strategy of Marvel Studios in
adapting their comic book properties to the screen, engaging
studios appeal to a mainstream audience by harnessing the en
fans. It proposes that the studios' branding strategies were bas
products as authentic representations of the source texts, stra

Suzanne Scott calls “fanboy auteurs” – filmmakers with strong material – in order to lend credibility to their franchises. Situations of Joss Whedon and Christopher Nolan as exemplary case studies figures mediate fan interests and studio authority. Finally, this industrial strategy has changed to accommodate unofficial models inherent to participatory culture.
