## Concepts and rationale of the Australian soil classification

Author(s) : [Isbell, R. F.](#) ; [McDonald, W. S.](#) ; [Ashton, L. J.](#)

Book : [Concepts and rationale of the Australian soil classification](#). 1997 pp.152 p

Abstract : This publication elaborates on many of the diagnostic horizons as given in the glossary of The Australian Soil Classification [see Isbell, R. F., 1975, R. S. Murray-Rust, Ed., *The Australian Soil Classification*, CSIRO Publishing Melbourne], and gives the rationale for the establishment of various diagnostic criteria. It also gives an overview of the general features of the soil types with individual distribution maps showing their occurrence in Australia.

ISBN : [0643060103](#)

Record Number : 19971906263

Publisher : [CSIRO Land and Water](#)

Location of publication : [Canberra](#)

Country of publication : [Australia](#)

Language of text : [English](#)

Language of summary : [English](#)

Indexing terms for this abstract:

Descriptor(s) : diagnostic horizons, maps, soil classification, systems

Identifier(s) : criteria

Geographical Location(s) : Australia

Broader term(s) : APEC countries, Australasia, Oceania, Commonwealth of Nations

Countries, OECD Countries
