Abstract

Tearless, Op. 9

Silver Rain, Op. 11

Desire, Op. 13

Heart On The Wall, Op. 14

Border Line, Op. 24

Mortal Storm, Op. 29

Composer Robert Owens (b. 1925) is relatively unknown in the

song. Though a few of Owens' songs have been published in t African-American composers, the majority of the Langston H Owens are undiscovered gems in the art song repertory. It is t through the presentation of this research, singers and teacher Owens' catalog of works and to find the essential commitmen necessary in the performance of all art songs.

Trained as a concert pianist, Owens has spent his life creating beautiful pieces of music which are widely heard in Europe, p country of residence, Germany, though they were written for singers. In 1958, Owens was introduced to the writer Langstor in the Harlem neighborhood of New York City. At that meetin Owens with Fields of Wonder, a collection of his lyrical poetry what he could do with it."

The results of Owens' diligence are 46 songs in six cycles to th Hughes. In this document, the author will demonstrate how C musical atmosphere through his use of intervallic relationship and harmonic development. Of special interest is Owens' com blossoms out of an understanding of the poem and its musica he translates that understanding into sound.

The document includes a biography of Robert Owens, as told in interviews with the author. Currently, only brief biographic online and published sources. This information will be signific performer of Owens' songs, as the details of his life figure pro compositional purpose and process.

Advisor: Donna Harler-Smith
