Only one earth. The care and maintenance of a small planet

Author(s) : [WARD, B.](#) ; [DUBOS, R.](#)

Book : [Only one earth. The care and maintenance of a small planet](#) 1972 pp.304

Abstract : This unofficial report, commissioned by the Secretary-General of the United Nations Conference on the Human Environment, was prepared with the assistance of a 152-member committee of corresponding consultants in 58 countries. It is divided into five main sections: (1) the planet's unity; (2) the unities of science; (3) problems of science and technology; (4) the developing regions; (5) a planetary order. While the whole report represents the knowledge and opinion of the world's leading experts and the relationships between man and his natural habitat at a time when human activities are beginning to have a significant impact on the environment.

having profound effects upon the environment, two chapters in particular on agriculture, those on the Green Revolution, and farms and jobs. A. T.S.
